2021 - SUMMER FUN AT THE FARM

We offer a comprehensive, hands-on farm experience with a focus on the great outdoors. We will be flexible to the interests of the children. Children must be 4-10 years old. **8:30am-4:30pm each day**

*WEEK 1 - July 19 – 23	\$225/week [includes HST]
*WEEK 2 – July 26 – 30	\$200/week for siblings *
*WEEK 3 – Aug 16 – 20	3 days or less (\$50/day) [includes HST]

* Special information for Camp 2021 due to Covid 19: As the situation with COVID 19 is still evolving, we will be adhering to the Health Units rules for day camps. Children enrolled in camp will be asked to follow the rules set out and prescreening and mask to be worn when indoors will likely be part of the rules, but we will confirm prior to each week. Lunch and snacks will not be provided so campers will need to provide their own. Preference will be given to children who are enrolled for the whole week vs 3 or less days if the camp fills up as we could have lower capacity due to health unit COVID regulations. Details with the updated requirements, and what campers will need to bring will be by provided by email before the start of camp.
